AZERBAIJAN'S MINING VISION 2030

President of the Republic of Azerbaijan Ilham Aliyev chaired meeting on State Program for development of mining and metallurgical industry

On September 22, President of the Republic of Azerbaijan Ilham Aliyev chaired a meeting dedicated to the "State Program on the Development of Mining (Metal Ores) and Metallurgical Industry in the Republic of Azerbaijan for 2027-2030."

Azerbaijan's 2027-2030 programme for mining and metallurgy aims to accelerate the development of gold, copper and molybdenum deposits, expand geological exploration, and strengthen domestic mineral processing. The plans include new beneficiation and iron production facilities, increasing aluminium production to 100,000 tonnes, and creating more than 5,000 permanent jobs by 2030.

MINING INVESTMENT OPPORTUNITIES

A NEW MINING GROWTH MARKET

USD 3.12
billion in investment

NEW MINES & PROCESSING PLANTS
2027–2030 development programme

GOLD
1.28 Moz
Additional gold resources
Söyüdlü + Ortakənd

COPPER
≈470 kt + 363 kt
Dəmirli potential + Filizçay
Two distinct project estimates

IRON
2.0 Mt/year
Planned HBI capacity
Daşkəsən • 2030 target

ALUMINUM
100 kt/year
Production target by 2030
Industrial processing chain

POLYMETALS
Zn 2.7 Mt + Pb 1.0 Mt
Production target by 2030
Industrial processing chain

INNOVATION & INDUSTRY TRANSFORMATION

Azerbaijan Mining Expo 2027 is being developed as an international platform bringing mining companies, equipment manufacturers, technology providers and decision-makers together in Baku. The exhibition will cover the full mining value chain, from exploration and heavy machinery to mineral processing technologies and more sustainable production practices.

Azerbaijan is entering a new phase in the development of its mining and metallurgical industries. The country’s 2027–2030 State Programme aims to expand the exploration and development of gold, copper and other metal ore deposits while creating greater value through domestic processing. Total planned investment for the period is estimated at AZN 5.3 billion.

In modern mining, value is created not only by extracting resources, but also by identifying deposits accurately, improving recovery and efficiency, and managing environmental impacts responsibly. Advanced drilling systems, automation, mineral beneficiation and plant technologies will all have a role to play in Azerbaijan’s planned transformation.

Azerbaijan Mining Expo 2027 will bring these needs and solutions together, creating a platform for the partnerships that can help move the industry forward.

THE EXHIBITION IN NUMBERS

Azerbaijan Mining Expo 2027 aims to bring together the global mining community in Baku, connecting exhibitors, industry professionals, international delegations and government representatives. Through technology showcases, expert discussions and dedicated networking spaces, the event offers opportunities to explore solutions, exchange knowledge and build business relationships across Azerbaijan and neighbouring markets.

250+

Exhibitors

Direct access to key decision-makers in the industry.

20+

Countries Represented

Global exposure and networking opportunities.

15+

Global Delegations

Connect with international buyers, leaders, and industry representatives.

20,000m²

Exhibition Space

A large-scale exhibition platform showcasing mining solutions and technologies.

5,000+

Visitors

A vast audience to showcase your brand and products.

100+

Expert Speakers

Diverse insights and thought leadership to align your brand with.

10+

International Ministers

Build relationships with influential government representatives.

3

Dedicated Zones

Keynote Theatre, Mining Innovation Area, and VIP Lounge for networking.

WHY EXHIBIT?

01

POSITION YOUR BUSINESS EARLY

Introduce your company as Azerbaijan develops projects across gold, copper, iron and polymetallic resources.

02

CONNECT ACROSS THE VALUE CHAIN

Build relationships with potential customers and partners in mining, engineering, equipment supply, processing and investment.

03

SHOW SOLUTIONS THAT FIT THE MARKET

Present equipment and expertise for exploration, extraction, mineral recovery, plant development, automation and responsible operations.

04

TURN PROJECT INSIGHT INTO OPPORTUNITY

Understand emerging project priorities, meet prospective partners and identify where your capabilities can add value.

05

EXPAND YOUR REGIONAL REACH

Use Baku as a meeting point to develop business relationships in Azerbaijan and neighbouring markets.

06

POSITION FOR INVESTMENT CYCLE

Azerbaijan plans AZN 5.3 billion in mining and metallurgy investment for 2027–2030. Connect with the market as new projects take shape.

INDUSTRY CHALLENGES WHERE YOUR COMPANY CAN CONTRIBUTE

- Applied research, development, and innovation
- Infrastructure development and production capacity improvement
- Renewable energy
- Decarbonization
- Operational optimization and continuity
- Electromobility
- Water efficiency
- Lower ore
- Transition to desalinated water use
- Process efficiency
- Mining 4.0
- Underground mining
- Productivity
- Development of specialized human capital

EXHIBITOR PROFILE

Discover machinery, equipment and technology providers serving the entire mining value chain—from exploration and extraction to processing, safety and heavy equipment.

- Agitators & Mixers
- Air Conditioning
- Associations
- Auger Mining Equipment
- Automation
- Batteries
- Bearings
- Blasting Agents & Explosives
- Buildings & Building Materials
- Bucket Wheel Excavator
- Castings
- Chemicals & Flocculants
- Classifiers
- Coal Preparation Plants & Cutting Machines
- Communications & Tracking Equipment
- Communications Equipment
- Computers & Software
- Construction, Contracting Services
- Continuous Mining Machines
- Conveyor Systems
- Cranes (Telescopic & Articulating)
- Crushers & Pulverisers
- Decontamination Equipment
- Dewatering Equipment
- Dryers
- Dust & Fume Control Equipment & Supplies
- Earth Moving Equipment
- Electrical Equipment & Supplies
- Electrical Power Transmission Equipment & System
- Electronic Equipment & Supplies
- Emergency Response Equipment
- Environmental Services
- Feeders & Breakers
- Front-End Loaders
- Gears
- Graders
- Grinding Mills
- Ground Engaging Tools
- Ground Penetrating Radar
- Haulage Equipment & Systems
- Heavy Equipment Transport
- Hydraulic Components
- Valves & Fittings
- Industrial Fasteners
- Lighting Systems
- Loaders & Feeders
- Longwall Mining Equipment
- Lubricants
- Maintenance Vehicles
- Metals & Special Alloys
- Mine Cars & Wheels
- Noise Control Equipment
- Off The Road (OTR) Tyres
- Piping Systems
- Pneumatic Tools
- Pollution Control Equipment
- Power Transmission Equipment
- Precious Metals Refining Services
- Preparation Equipment
- Pressure Cleaning Systems, Steam Cleaners, Pressure Washers
- Process Control & Instrumentation
- Protective Coatings & Linings
- Publishers
- Pulley Systems
- Pumps
- Rescue Chambers
- Roof Supports
- Ground Control Equipment
- Samplers
- Scrapers Screen
- Separators
- Shotcrete Equipment
- Software
- Teeth-Excavator
- Tracked Vehicles
- Training
- Transportation
- Truck Bodies
- Vehicle Braking Systems
- Vibrators
- Vulcanizers
- Water Treatment
- Wheels & Rims

VISITOR PROFILE

- Academic Institution
- Association & Community
- Bank, Leasing & Finance
- Consultant, Surveyor Company
- Government, Trade & Investment Commission
- Quality Control/ Assurance/ Testing & Inspection
- Manufacturer
- Material Handling
- Mining Contractor
- Mining Owner, Mining Company
- Mining Services
- Power Generation & Distribution
- IT, Technology & Software
- Refining & Mineral Processing
- Supplier, Distributor & Dealer
- Telecommunication
- Transport, Logistic & Storage
- Utilities

INTERNATIONAL REPRESENTATION

AME 2027 is strategically targeting key mining markets worldwide to build strong international representation and connect global industry leaders with Azerbaijan's growing mining sector.

CONFERENCE PROGRAMME

8 SEPTEMBER 2027

DAY 1

INVESTMENT & EXPLORATION

OPENING / PLENARY SESSION 01

Azerbaijan Mining Outlook 2030

Projects, investment climate and value chain

INVITED ROUNDTABLE · PROPOSED

Mining Investment Roundtable

Financing and project development

PLENARY SESSION 02

Exploration to Extraction

Geology, drilling and data technologies

TECHNICAL FOCUS

Karabakh, East Zangezur & Nakhchivan

9 SEPTEMBER 2027

DAY 2

PROCESSING & OPERATIONS

PLENARY SESSION 03

Processing & Metallurgy

Ore beneficiation and metallurgy

TECHNICAL FOCUS

From Ore to Industry

Processing and plant technologies for copper, gold, iron and polymetallic ores

PLENARY SESSION 04

Equipment, Automation & Mine Operations

Heavy equipment, digitalisation, maintenance and safe operations

10 SEPTEMBER 2027

DAY 3

RESPONSIBLE MINING

PLENARY SESSION 05

Responsible Mining & Regional Partnerships

Environment, water, finance & partnerships

SPECIAL PANEL · PROPOSED

Women in Mining & Next Generation

Talent, education and inclusion

CLOSING DISCUSSION

From Mineral Potential to Industrial Value

Practical needs, business meetings and next steps

EXHIBITION PACKAGES

Space Only
