UK GREAT Zone at EXPONOR 2026

08–11 June 2026 | Antofagasta, Chile

Put Your Company Center Stage at the Mining & Energy Exhibition

Join the **UK GREAT Zone at EXPONOR 2026** and connect directly with senior decision-makers from Chile's and the world's leading mining companies. EXPONOR, held in Antofagasta at the heart of Chile's copper and lithium belt, attracts over 1,100 exhibitors from 30+ countries and nearly 50,000 professional visitors, including procurement and technical teams from Albemarle, Antofagasta Minerals, CODELCO, Anglo American, Teck, and Collahuasi, as well as hundreds of Tier-1 and Tier-2 suppliers. This is a unique platform to identify new contracts, form strategic partnerships, and showcase UK expertise in mining technology, engineering services, automation, energy efficiency, water management, ESG, and supply-chain innovation — positioning your company to capture growth in northern Chile's rapidly expanding mining sector.

With strong UK government backing, curated B2B agendas, and direct access to mining clusters in the Antofagasta Region, EXPONOR 2026 is a strategic opportunity to strengthen your commercial presence in the world's largest copper-producing country.

The British-Chilean Chamber of Commerce (BritCham), in partnership with the UK Embassy in Santiago, will host the UK GREAT Zone, delivering visibility, networking, and support to ensure your participation is a success.
